

## Contract Sewing

JONCO began offering custom sewing when one of our packaging clients requested it. The company now offers complete, industrial contract sewing services from Aprons to Zippers. We strive to please the customer and solve your problem.

Our capabilities allow us to deliver quality constant craftsmanship, quick turnaround, competitive pricing, and superior customer satisfaction.

Sample projects include:

- Banners
- Industrial Curtains
- Machine Covers
- Padded Bags
- Sports Equipment
- Uniforms & Clothing
- Baby Clothing and Bedding
- Quivers
- Tool Pouches
- Tool Box Covers
- Custom Outdoor Shelters
- Lightweight to Heavy Duty sewing

Our sewing department has successfully provided countless unique custom sewn components. Many of which are integrated into customer products you may have seen on the market.
